Public Notice

December 3, 2015

Public Information Meeting

Big Eddy Water Works

Residents of the Big Eddy water improvement district are invited to attend a public information meeting to learn more about the proposed water service project, grant funding, petition process and the associated costs for providing the service.

- The Information meeting will include presentations from Interior Health and the City of Revelstoke.
- City staff along with Interior Health and Big Eddy Water Board will be available for questions.
- Petitions for the creation of a water service will be available for review and signature.

Monday, December 14, 2015

7:00 pm - 9:00 pm

Revelstoke Community Centre

Please take this opportunity to meet with the Big Eddy Water Board, Interior Health and the City of Revelstoke to ask questions, get informed and help move this project forward.
