Structure Fire in Big Eddy, Revelstoke, BC

Revelstoke, B.C – Revelstoke Fire Crews extinguished a structure fire in Big Eddy on Monday morning.

Revelstoke Fire Department received a dispatch for a structure fire in Big Eddy at 8:39 a.m. Monday, April 15. Multiple 9-1-1 calls were being received saying possibly a barn was ablaze on Big Eddy Road.

Engine 1 responded with two Firefighters, immediately followed by the Fire Chief in Truck 9. The barn was fully engulfed by fire on arrival. Engine 1 stretched a single handline and began attacking the fire as additional Firefighters and apparatus began to arrive on the scene. A water supply was established by Engine 2 while additional Firefighters pulled a second and third handline to begin extinguishment and exposure protection.

There were no injuries to Firefighters or occupants however, unfortunately, there were some animals lost that didn't make it out in time. Revelstoke Fire Department response included one command vehicle, five fire apparatus, the Fire Chief, the Assistant Fire Chief, seven career Firefighters, eight volunteer Firefighters, and a Fire Investigator - a total of 18 members on scene.

The Fire Department thank BC Hydro, BC Ambulance, and the RCMP for their assistance in this incident.
