Structure Fire in Columbia Park, Revelstoke, BC

Revelstoke, B.C – Revelstoke Fire Crews extinguished a structure fire in Columbia Park on Wednesday afternoon.

On Wednesday, July 10, Revelstoke Fire Department received a call for a residential structure fire in Columbia Park at 4:40 p.m.

The Fire Department responded quickly with one command vehicle, five fire apparatus and 21 Firefighters. The fire was quickly stopped by the first responding engine. The fire caused significant damage but was contained to the second level.

Two people were displaced by the fire and one dog is still missing. There were no injuries to the occupants or the Firefighters, and Emergency Support Services was able to assist the occupants on the scene.

The fire is currently under investigation.

The Fire Department thank BC Hydro, BC Ambulance, and the RCMP for their assistance in this incident.
