

**For Immediate Release  
November 7, 2025**

## **Aquatic Centre Closure**

**Revelstoke, B.C** – The City of Revelstoke’s Aquatic Centre, including all shower facilities, is closed until further notice due to essential repair work on the District Energy System.

The District Energy System is the heating source for the Aquatic Centre facility. Unfortunately, the repair work has caused pool temperatures to drop significantly, below safe operating levels. For this reason, the Aquatic Centre, including the shower facilities, will remain closed until the repair work is complete.

We understand this may cause inconvenience and appreciate your patience as we work to restore services as quickly and safely as possible. Updates will be provided on Friday afternoon (November 7) via the [City of Revelstoke’s Parks, Recreation and Culture Facebook](#) and [Instagram](#) pages, as well as on [the City’s website](#).
