

For Immediate Release

December 9, 2025

Short Term Rental Public Engagement

Revelstoke, B.C – The City of Revelstoke is inviting community members to review three policy scenarios for Short Term Rental regulations in early 2026.

The City's Development Services team have prepared three policy scenarios for how Short Term Rentals can be regulated in Revelstoke, based on the results of the initial community engagement (completed in the spring of 2025) and feedback from Council. The City is now seeking feedback that will be used to inform these future regulations.

Public engagement will take place in two ways:

1. **Interactive Group Sessions:** There will be six interactive group sessions (both in-person and online) during the last week of January and first week of February in 2026.
2. **Online Public Survey:** A public survey is available on www.TalkRevelstoke.ca/STR. It takes about 20-minutes to complete and will remain available until end of day on February 13, 2026.

More information including how to sign up for the interactive group sessions and how to complete the public survey can be found at www.talkrevelstoke.ca/STR.

For more information, please contact the Development Services team via email to development@revelstoke.ca.
