MOBERLY MANOR PARK GARDEN PROJECT

Revelstoke Hospice Society are approved to create a Bereavement Garden Project - a serene, park-like space dedicated to supporting individuals and families navigating grief and loss. This carefully designed garden will serve as a tranquil sanctuary within the community, where visitors can find solace, reflect on loved ones, and experience a sense of peace. Installation will be undertaken using local seniors and volunteers to foster a sense of ownership of the space. At completion, those seniors will become engaged in maintenance of the beds and plantings.
