Dogs Impounded/Returned This Month:

- Bylaw Enforcement impounded 4 dogs this month.
- All animals were reunited with their owners.
- Tickets were issued for dog at large and no dog license.

May Bylaw of the Month – Garbage & Wildlife Attractant Bylaw No. 2183

- As a result of increased bear sightings, the focus of this month was to educate the public on ways to avoid human wildlife conflicts.
- This month we had an emphasis on the need for residents and visitors to store their garbage and attractants responsibly to protect the bears.
- We linked to the Garbage & Wildlife Bylaw, brochures, contact information for Bear Aware, the Conservation Officer with a breakdown of which organization handles which calls.
- Social Media posts throughout the month were well received and shared.

Additional Notes:

- Bylaw Enforcement has seen a steady increase in Watering, Animal Control, Unsightly and Traffic & Highway complaints this month.
- Bylaw is continually working towards compliance for Animal Control issues such as dogs off leash, allowing animals to chase humans/animals, no dog license, etc.
- Watering complaints have been steadily increasing with the temperatures, the Bylaw and Administration Department have been pushing out communications to notify the public of the year round water restrictions.
