
USER GROUP REQUIREMENTS FOR USE OF OUTDOOR SPACES

CITY OF REVELSTOKE PROTOCOLS

The City of Revelstoke is responsible for:

1. Completing a Facility Assessment of outdoor spaces prior to opening the spaces up for rental opportunities.
2. Placing signage at outdoor spaces outlining COVID-19 expectations from the public.
3. Updating rental agreement terms and conditions for user group bookings with COVID-19 information as recommended by the Municipal Insurance Association of BC.
4. Ensuring all user groups have completed a rental agreement and provided required documents including comprehensive liability insurance prior to permitting use of the outdoor space for organized activity.
5. Ensuring all user groups have completed a COVID-19 Safety Plan.
6. The City of Revelstoke will ensure public washroom facilities in outdoor spaces have adequate hand washing facilities and supplies.

USER GROUP REQUIREMENTS

1. Develop an updated COVID-19 safety plan that complies with the current Provincial Health Orders, viaSport's Return to Sport Guidelines, and their Provincial Sport Organization's Guidelines. The Plan must include a commitment to comply with public health orders and facility rules and procedures.
2. Strictly observe maximum group size (up to 50 for child/youth, up to 10 for adult and mixed age groups)
3. Strictly observe physical distancing requirements of 3 meters during all physical activities, and 2 meters when not engaging in activities. E.g. standing on the side of the field/court.
4. Arrive no earlier than 10 minutes prior to their scheduled booking time and depart within 10 minutes after their booking.
5. Clean their own equipment.
6. Not come in contact (keep 3 meters apart); games, tournaments and competitions are temporarily suspended and no scrimmaging is permitted.
7. Limit activity to skills and drills.
8. Acknowledge that they will ensure there are no spectators (as per the Order, spectators are not permitted).
9. Additionally, user groups should designate a COVID volunteer who will manage the flow of their group, monitor COVID19 protocols and illness and/or injuries.
