

2022 APPLICATION GUIDE

This guide identifies what types of projects are eligible and gives you important information on how to complete an application form.

NEED HELP?

All questions regarding this application should be directed to Corporate Administration at the City of Revelstoke. By telephone at: 250.837.2911 or by e-mail at cbt_cip@revelstoke.ca.

WHAT IS THIS PROGRAM ABOUT?

The Community Initiatives and Affected Areas Programs (CIP/AAP) are intended to be flexible and incorporate community-based funding decisions. The programs support local projects that provide additional value to Basin communities and that benefit the broad community and public good. This funding program is meant to support individual events and projects, and is not intended to support on-going operational costs. Program funds are distributed annually to the Trust's local government partners: the Regional Districts of East Kootenay, Central Kootenay and Kootenay Boundary, the City of Revelstoke, Town of Golden, Village of Valemount, and to our Indigenous partners: ʔaq'am, ʔakisq'nuk, Lower Kootenay (Yaqaan nuʔkiy), Tobacco Plains Indian Band (ʔakink'umtasnuqtiʔit) and the Shuswap Indian Band.

The total 2022-2023 funding available for Revelstoke and Columbia Shuswap Regional District(CSRD) Rural Area B is \$384,056.00

WHO CAN APPLY?

Eligible applicants include registered organizations that are not-for-profit, first nations, registered schools, and local government. Program funds are for meeting community/public needs rather than private needs. Any private sector proposal that comes forward must be sponsored by an eligible organization and must clearly demonstrate community benefits. If sponsored, the proposal and financial report must be submitted by the eligible organization on behalf of the sponsored group.

An organization with an outstanding or incomplete Project Final Report from any previous year will not be eligible to submit a proposal until the outstanding or incomplete Project Final Report is submitted to the City of Revelstoke (unless an extension for the project has been granted). Invoices and other financial documentation in support of all project funding expenditures are required to form a complete Project Final Report.

WHEN IS THE APPLICATION DEADLINE?

The deadline for submission of applications to the City of Revelstoke via the **online application** is **4:30 PM** local time, **Monday, February 14 2022**

Late applications will not be accepted.

PROJECT CRITERIA:

SEE ADDITIONAL PROJECT CRITERIA ATTACHED

Accepted project proposals must benefit the City of Revelstoke and CSRD Rural Area B

The Columbia Basin Trust Act requires that Trust funding not relieve any level of government of its normal obligations. Program funds should not be used to fund basic infrastructure activities that are normally funded through the government tax base such as roads, sewers, municipal water systems and fire protection.

Applicants are encouraged to seek funding from other sources to assist with their projects and not to rely solely on Columbia Basin Trust funding.

The total funds available will be allocated to two key goal areas – Environmental and Social. Over the long-term, funds should be equally distributed between the two categories. However, flexibility between the categories will be considered in the short-term to maximize opportunities for community benefits.

WHAT TYPES OF PROJECTS / COSTS ARE NOT ELIGIBLE?

Funds received under this Program can only be used to pay for expenses incurred between May 2, 2022 and April 28, 2023. Retroactive costs (**costs that have been incurred prior to funding approval**) and costs not included in original the application are not eligible.

For very large projects, it is recommended that if the work can be broken down into separate phases, the applicant should make separate applications for each phase.

Applications for **multi-year funding** will not be eligible or evaluated.

HOW DO I APPLY?

Applications are online. You are encouraged to follow the directions in the *Application Information* section.

WHAT IS THE PUBLIC ENGAGEMENT PROCESS?

The public engagement process is an important component of project evaluation. This aspect of the application process may include an in-person community meeting, an online public participation portal linked to the City's website, or a combination of both. Applicants should be prepared to deliver a clear and concise 2-3 minute presentation detailing their proposed project and its related community benefits. The general public will be invited to provide input during a specified period between February and March of 2022. We encourage sharing of information and ideas between community members, as a way to measure community support for proposals.

- Online project briefs will be included on the City's website and will provide the following information:
 1. A brief overview of the project.
 2. How the project will benefit the community.

3. If the project has received funding in previous years.

- Those interested in indicating their support for individual projects can do so through an online voting/comment process via the link on the City's website. This portion of the application process is weighted at 15%.
- Projects must rank well in terms of the key community goals and the general project criteria to be approved for funding – a high-level of support through the online process does not mean a project is assured funding approval.

WHEN WILL A DECISION BE MADE?

The Evaluation Team will recommend projects for approval to City Council and the CSRD Area B Director. Evaluation of each project's proposed fulfillment of key community goals, general project criteria and community support (*see attached Project Evaluation Criteria*) will be completed by the Evaluation Team. The Evaluation Team consists of five community residents appointed by the City of Revelstoke with knowledge and expertise in at least one of the specified project goal areas: Environmental or Social.

City Council and the CSRD Area B Director will review the project evaluations and funding recommendations and make final funding approvals at a City Council meeting in April 2022.

Project applicants will be informed of funding decisions as soon as possible. The general public will also be notified of funding decisions via local media.

Once funding has been allocated, the City of Revelstoke will enter into an agreement with the legal entity representing the approved project. Once the agreements have been signed, project funds will be provided at 90% of the project value. A 10% holdback of awarded funds will be retained by the City until the City is in receipt of a complete Project Final Report. Projects will be monitored to ensure that the objectives set out in the project proposal are being met.

WHAT ARE THE REPORTING REQUIREMENTS?

All project funds must be spent as outlined in the approved proposal and the project **must be completed by April 15, 2023**. Project costs not included in the original application and/or over-runs are not permitted. Applicants submitting incomplete Project Final Reports will not receive their final 10% project award amounts and may not apply for future funding until the report is submitted in full.

All successful proponents are required **as a condition of project funding and without reminders**, to submit a complete Project Final Report by May 31, 2023 using the template provided by the City of Revelstoke. The Project Final Report **MUST** include invoices and proof of payments that align with approved project applications.

A proponent with an outstanding or incomplete Project Final Report will not be eligible to submit a proposal in the future..

APPLICATION INFORMATION & INSTRUCTIONS

USING THE ONLINE APPLICATION FORM

The Trust's online application system allows you to apply to various programs offered by the Trust. You will need to create an account to access application forms, save drafts and submit completed forms. Here are some tips for using the system:

- When logged in you can only work on one draft application per program. You must submit an application before you can begin another application within that specific program. Submitted applications can be edited up until the deadline.
- Drafts and submissions can be viewed once you have logged in.
- To ensure that your edits are saved, click the **Save Draft** button at the bottom of each page often, especially before navigating away from the page.
- **DO NOT CLICK YOUR BROWSERS BACK BUTTON**: your application form will not auto-save and you will lose your work. However, the application form will auto-save when you click the **Next** and **Previous** buttons to navigate between pages.

- Keep your entries precise and clear. It is important to note that space in some sections is limited. Space allotment is identified in each section.
- You have the option to use a worksheet to prepare your application entries and/or collaborate with others involved in your project. The worksheet is a Word document and will not be accepted as your application to the program. All of the questions you will be asked on the online application form are included on this worksheet.

COMPLETING THE APPLICATION FORM QUESTIONS

APPLICANT INFORMATION

Registered Applicant/Organization Information

Organization Legal Name

Enter the full legal name of your registered non-profit, public organization, municipality, regional district or Indigenous organization.

Registration Number (if applicable)

Registered non-profits must be in good standing with the BC Registry Services. Enter your number here.

Signing Authority Contact Information

If your application is successful, a Contribution Agreement will be sent to this contact for signature.

Primary Contact at the Registered Applicant/Organization – if different from above

Identify the person who will be leading the project, or if they are not in place at this time, identify someone in your organization who can be contacted about your project either at the application stage or if your application is successful.

Is the **Registered Applicant/Organization** sponsoring an unregistered organization who will be leading the project? If yes, complete the details below for the **Project Lead/Sponsored Organization**.

yes no

If you are sponsoring an ineligible organization, the application must be completed and submitted by the eligible **Registered Applicant/Organization**.

**The following section will only appear if the applicant indicates 'yes' above*

Project Lead/Sponsored Organization

This is the lead for the group that is being sponsored.

Organization Mandate

Briefly describe your organization's purpose and mandate. Include the types of projects, programs and services you deliver and your operating budget.

PROJECT DETAILS

Project Title

Your project title should be succinct, descriptive and no longer than five words.

Project Location

Identify the geographical location(s) that will benefit from this project. When you click in the box you can hold down the [CTRL] key (or the command button on a Mac) to select more than one.

Estimated Start & End Date

These dates tell us when the project will take place and identify how long your project will be. Grant funds cannot be allocated to any project expenses before you have received funding approval, so it is recommended that your start date is no earlier than May 1, 2022. The end date should be when you anticipate all expenses will be paid for and final reports are ready, no later than April 15, 2023.

What is the project? What will the project do? How will this be achieved? (220 words)

Provide a brief description of your project and the shorter-term impacts or effects your project aims to achieve. List the services or activities to be developed, delivered or completed.

For example:

Seniors Volunteer Program Coordinator: The Volunteer Coordinator implements and develops volunteer-based programs and initiatives to meet specific needs of senior residents such as transportation to medical appointments, computer training, weekly coffee drop-in and other services.

What issues or opportunities will be addressed? How were they identified? (150 words)

Describe the issues or opportunities that the project will address. How were they identified and who was involved in that identification?

Where will this project take place? (100 words)

Who will be involved in implementing the project? (100 words)

Describe the organization(s), staff or consultants, partners or individuals, and their relevant experience and expertise that they are bringing to the project.

Explain why this project is important to your community. Who will benefit from the project? (150 words)

“Community” may refer to a community of interest, specific sector, professional community or a geographic location. With this in mind, explain why this project is important to your community and highlight how it was identified as a priority. Describe how your community will be supporting and/or participating in your project’s development and/or delivery.

How will the project be evaluated and how will you know if it has been successful? (150 words)

Indicate a clear plan for evaluating and reporting on results as they are related to the shorter-term impacts or effects that your project aims to achieve. Include how you will make use of monitoring and evaluation tools. The budget should include an allocation specifically for evaluation.

Describe how your organization is best suited and had the capacity to deliver the project? (150 words)

Describe past successes of your organization as it relates to this project. Projects that have received funding previously should include a summary report of results to date. You can summarize details here and/or include a supporting document for more information.

WORK PLAN

Tell us how you plan to organize and carry out your project.

Activity

List all activities you plan to complete during the project's term. Click the **+Add** button to add another row of activities.

Overseen By

Indicate who will be taking the lead on each of the proposed activities. Demonstrate how all components of the project are being delivered or managed by someone with relevant experience or expertise.

Start and End Dates

Identify the date that each activity is proposed to begin and end. Any activities that occur before receiving project approval are not eligible for funding.

Sector for application evaluation:

Choose which sector you wish your project to be evaluated for (choose one only):

- Social
- Environmental

If you select Social, check all of the key Social goals that will be met by your project:

- Social Support Network and Leadership
- Wellness and Health/Safety and Security
- Education
- Recreation, Arts, Culture and Spiritual Values

If you select Environmental, check all of the key Environmental goals that will be met by your project:

- Improvements to ecological and environmental conditions
- Reduction/Improvement of environmental impacts of human activities
- Land use planning processes
- Increase ecological and environmental knowledge/stewardship
- Increase scientific knowledge

List other project goals and objectives not already identified. (150 words)

Please list any other goals you think might be relevant.

Explain how the project supports long-term economic stability and growth. (200 words)

Explain clearly and succinctly.

PROJECT BUDGET

List specific budget items under each heading to identify expenses that you require funding for. Round up values to the nearest dollar. In the final column, indicate the amount of funding from the Revelstoke and Area A Community Initiatives and Affected Areas Grants (CIP/AAP) Program you wish to allocate against each budget line item.

Click the **+Add** button to add another row. Do not include any items that will be provided to the project as in-kind contributions - there is a space to enter this further down.

Budgets that contain excessive rates or unreasonable purchases will not be considered and may jeopardize project approval. Organizations may be requested to return unused funds.

Administrative Costs

List administrative project costs. Examples would include overhead costs to deliver the project such as office expenses and supplies and administrative wages. Total administrative fees should not be more than 15 per cent of your total project budget. If you are calculating a percentage, total your expenses first and then calculate your administration amount.

Contract Fees and/or Staff Wages

Each line item should include the position's title and the hourly rate multiplied by the number of hours for the whole period of the project for which you are requesting funding, if applicable. Do not include administration wages (see above). Wages specific to the project are eligible for funding. All proposed fees, salaries and wages must be in line with the skills provided, activities proposed and regional market conditions. For more information on appropriate wages, visit the Government of Canada's Job Bank website where you can [Explore Careers by Wage](#).

Capital Purchases, Equipment Rental and Project Supplies

Capital purchases, equipment rentals or project supplies are eligible as long as they are necessary for the project and the costs are reasonable. Capital and equipment purchases need to be justified to be eligible for funding.

If your organization currently owns equipment required to undertake the project, costs associated with such equipment are not eligible for funding. However, rental of equipment may be eligible if necessary to carry out specific project objectives.

Other Costs (be specific)

If there are other project-specific costs that are not included elsewhere, you may add them into this section with a specific line-item description. Include items like advertising, brochure printing and distribution costs. Eligible travel expenses include mileage and any necessary accommodation specific to carrying out the project.

CASH REVENUE SOURCES

We recommend that your organization seek funding from a variety of sources. Projects that have secured multiple funding sources often demonstrate wide-ranging support and may be prioritized for funding. Ongoing community projects that run on a yearly basis and rely primarily on this funding program are discouraged. Projects that evolve to re-occur annually should seek to become financially self-sufficient and self-reliant, as this program aims to support one time projects that address an immediate community need.

The Trust has a directory of grants that may be applicable to your work which can be found in the resource section of the Trust's Non-profit Advisors Program (ourtrust.org/nonprofit). All applicants are strongly encouraged to review this resource to ensure that project funding requests are directed to the most appropriate and diverse funding sources available.

Source

The first revenue line will auto-populate with your Total Requested from CIP/AAP. In the line below, identify your other sources for cash revenue. This may include sources such as other grants, cash donations, or workshop registration fees. Click the **+Add** button to add another row.

Confirmed (Y/N)

Indicate whether the contribution is confirmed at the time you submit the application. If the funder has confirmed that they will be committing resources to the project, you will select *yes*. If you have applied for funding, but have not yet heard back, you will select *no*.

Amount

Indicate the dollar amount you will receive from each funding source. The form will automatically calculate subtotals for you.

Total Project Budget and Total Revenue Project Budget

These boxes will auto-fill. *Total Project Budget* should equal your *Total Revenue Budget* to show you have enough funds to complete your project. If the numbers are not equal, check your entries as the form adds them automatically.

IN-KIND SOURCES & CONTRIBUTIONS

Describe what contributions are being made to the project other than cash. In-kind contributions are goods or services donated to your project from another organization or individual that you would have otherwise had to pay for.

PROJECT BUDGET EXAMPLE

This reflects the total required to complete the project.

BUDGET ITEM	Total Amount Required	Amount Requested from CIP/AAP
Administration		
Administrative costs of project	\$3,060	\$500
Contract Fees and/or Staff Wages		
Project coordinator: 50hrs/month @ \$28/hr for 12 months	\$16,800	\$13,000
Capital Purchases, Equipment Rental and Project Supplies		
Laptop and projector	\$1,500	\$500
Purchase of workshop resources and materials	\$1,000	\$500
Renovation of storage room for office space	\$2,300	\$2,300
Office furniture	\$1,500	\$1,500
Building permits	\$190	
Refreshments for workshops	\$200	\$200
Other Costs (be specific)		

Advertising campaign	\$750	\$500
Project travel expenses: 2000km @ \$0.53/km	\$1060	\$900
Recognition event for volunteers and project wind-up	\$200	\$100
TOTAL	\$28,560	\$20,000

CASH REVENUE SOURCES EXAMPLE

This reflects who is contributing cash to the project.

CASH REVENUE SOURCES		
Source	Confirmed (Y/N)	Amount
<i>Columbia Basin Trust – CIP/AAP Request</i>	N	\$20,000
ABC Community Services	Y	\$4,000
Community Foundation Grant	Y	\$1,000
Local Credit Union	Y	\$500
Corporate Business	Y	\$2,500
Anticipated workshops revenue	N	\$560
TOTAL CASH REVENUE:		\$28,560

IN-KIND SOURCES & CONTRIBUTIONS EXAMPLE

This reflects who else is contributing donated or discounted goods and services to the project.

- Society Executive Director will oversee the project: \$35/hour @ 5 hrs/month for 6 months valued at \$1,050
- Local Governments: X, Y and Z are providing workshop space valued at \$2,000
- 123 Community Partner Society is donating the time of a workshop facilitator valued at \$1,750

SUPPORTING DOCUMENTS

Supporting documents provide additional evidence that the project is viable and important. These documents help to further evaluate and assess your project idea and may include documents such as letters of support, outcomes of community engagement, report executive summaries, quotes, approvals, maps, etc.

Ensure your supporting documents add value to your application. We will look at the strength of the document, not the quantity. List what you are submitting. Click the +Add button to add another row. You may upload up to five (5) one page, single-sided supporting documents.

Before uploading your supporting document, ensure the file name is clear and identifies the content. All supporting documents that, when combined, add up to exceed more than 5 pages per application will be deleted.

File size may not exceed 3MB per document.

ADDITIONAL INFORMATION

Is there anything else you would like to add that has not already been mentioned?

DECLARATION

Read this section, click the box next to I agree, then type in your name and title.

PROJECT PROPOSAL EVALUATION CRITERIA

THE PROJECT PROPOSAL EVALUATION CRITERIA INCLUDE FOUR COMPONENTS:

- A. Screening criteria which all projects must meet;
- B. Key community-based environmental and social goals;
- C. General project criteria including practical factors; and
- D. Community support.

The screening criteria will be applied early in the proposal review process to avoid unnecessary consideration of projects that do not meet key aspects of this program. The remaining three categories – key community criteria, general project criteria and community support - will be assigned a point value for evaluation and ranking of proposals. A maximum of 100 points will be distributed as follows: 40 points to key community criteria, 45 points to general project criteria and 15 points to community support.

The four components of project evaluation are described in detail below.

A. SCREENING CRITERIA

The application is reviewed by the program coordinator to ensure that all questions have been answered, and if required the project proponent may be contacted for further clarification.

B. KEY COMMUNITY CRITERIA

A maximum of 40 per cent of the total points will be assigned to assess the fulfillment of these goals by a project proposal. The distribution of points for each category is included below. If a category is deemed to be not applicable to the project, then those points will be omitted from the final calculation and the other qualifying categories will be prorated to make up the 40 percentage points. Projects will be evaluated on only one set of goals as indicated in Question 1 Section B of the application.

ENVIRONMENTAL GOALS

The following goals apply in the context of contributing to environmental quality and health in a way that makes a difference:

1. Improvements to ecological and environmental conditions

(*maximum 10 points*):

- habitat conservation, reclamation and/or rehabilitation
- protection / recovery of endangered species
- maintain healthy wildlife populations
- reduce human-wildlife conflicts

2. Increase ecological and environmental knowledge/stewardship amongst citizens, businesses, government (*maximum 10 points*)

- environmental coordination programs
- educational programs and knowledge dissemination
- recognition and incentive programs for environmental awareness / stewardship
- special events and celebrations

3. Reduction / Improvement of environmental impacts of human activities

(*maximum 10 points*)

- toxic waste reduction
- air & water quality improvements
- noise & light pollution reduction
- solid waste management
- increase recycling activities
- energy efficiency and reduction of greenhouse gases

4. Increase scientific knowledge (*maximum 10 points*)

- improve archiving, accessibility and use of ecological / environmental information and expertise
- biological research and inventories
- environmental monitoring

5. Land Use Planning Processes (*maximum 10 points*)

- sustainable resource management
- urban forest, parks and green space
- reservoir operations
- forest management
- wetlands management

SOCIAL GOALS

The social goals are intended to include all **age groups, ethnic/cultural diversity, gender and economic groups** in the community. It is expected that social projects will be consistent with the Community Development Strategy.

- 1. Social Support Network and Leadership** (*max 15 points*)
 - Strengthen existing programs and services to meet current needs
 - Create new programs and services to meet emerging needs
 - Develop leadership and organizational capacity
 - Support community participation, sense of belonging and volunteerism

- 2. Wellness and Health / Safety and Security** (*max 10 points*)
 - Access to and provision of adequate services (physical, mental & social well-being)
 - Promotion / education of healthy lifestyles
 - Provision of affordable housing
 - Address conditions leading to substance abuse
 - Address conditions leading to violence and crime
 - Address poverty

- 3. Education** (*max 10 points*)
 - Create first-class, integrated, lifelong community learning opportunities
 - Provision of adult education to meet individual skill development requirements
 - Build community support for the school (K-12) system
 - Address literacy and learning disabilities

- 4. Recreation, Arts, Culture and Spiritual Values** (*max 15 points*)
 - Develop diverse recreational opportunities
 - Increase participation in arts and cultural activities
 - Expand recreation, arts, culture, and heritage infrastructure

C. GENERAL PROJECT PROPOSAL CRITERIA

These criteria assess several practical factors. A maximum of 45 per cent of the total points will be allocated to these criteria. The distribution of these points between the criteria is noted below.

- 1. Project planning** (*maximum 10 points*)
 - project proponent has demonstrated organizational capacity and appropriate expertise
 - adequate and logical background and planning leading to a technically sound proposal

- project encourages innovation and shows a creative approach
- ability to sustain project ongoing and maintenance costs

2. Funding (*maximum 10 points*)

- leverages funds from other sources
- best funding option (i.e., there is not an alternative funding source)
- cost effective

3. Urgency (*maximum 8 points*)

- seriousness of the issue addressed
- ongoing work requiring continuity
- time sensitive

4. Builds community capacity (*maximum 7 points*)

- builds capacity (knowledge, expertise, organizational ability, etc.) within community organizations
- provides opportunities to develop local skills and knowledge
- builds collaborative community and broader partnerships

5. Economic (*maximum 10 points*)

- supporting long-term economic stability and growth
- increases economic diversity
- increases employment opportunities
- encourages financial investment
- benefits the community

D. COMMUNITY SUPPORT

Community support will be measured through community engagement and feedback as described in the Public Engagement Process. A maximum of 15 per cent of the total points will be allocated to community support.
