OCP DPA

-  Environmentally Sensitive Development Permit Area

Environmentally Sensitive Area

-  Wetland
-  Riparian
-  High
-  Very High

The Environmentally Sensitive DPA is a simplified layer derived from multiple data sets: Water Shed Management Area, Flood Plain, Riparian, and Wetland. Onsite ground truthing is required for each development project. The exact boundaries of the SPA may need to be determined on a site-specific basis prior to development.
